

EMBOO RIVER

HAVE YOU SEEN THE BIG 20

Emboo River chose to expand the well known "Big 5" list, because there are so many more fascinating animals to see in the Maasai Mara.

On top of that, the title "Big 5" has a negative connotation because this name was given to the elephant, lion, buffalo, leopard and rhino because they were the most popularly hunted animals.

Let's change that narrative together! #RoadToBig20
